"RULES OF THE ROAD:" HHI BIKE SAFETY TIPS & POINTERS

The Breeze Trolley shares the Island's roadways with residents and visitors who take advantage of the nearly 60 miles of public pathways and nature trails maintained by the Town. Here are some tips to keep you and your family safe while bicycling:

- **PUT DOWN YOUR PHONES!** Do not Bike and Text!
- Make eye contact with vehicle drivers waiting at crosswalks and intersections.
- Check all directions especially from behind before crossing streets.
- Do not assume cars will stop before the crossing areas at stop signs.
- **OBEY ALL SIGNS & WEAR HELMETS!**
- Always ride with the traffic.
- Be sure to follow the bike paths.
- On the beach, choose to ride into the wind's direction first! (DO NOT learn this the hard way.)
- Always check the tide charts before riding on the beach. High tides will limit safe riding areas.
- Use lights at night - it's the law and our bike paths get very dark (DO NOT bike on the beach at night).
- Visit hiltonheadislandsc.gov for more information.

RULES OF THE ROAD BROUGHT TO YOU BY:
